**TO WHOM IT MAY CONCERN
INTERNSHIP-COMPLETION-LETTER**

This letter is to certify that **Faizan Ul Hassan** successfully completed their internship in the Cybersecurity Red Team at **ITSOLERA** from **24 June 2024** to **24 September 2024**. During their time with us, they actively participated in a variety of key tasks, including but not limited to:

- **Penetration Testing & Vulnerability Assessments:** Assisted in identifying security vulnerabilities in systems, applications, and networks through in-depth testing, helping to strengthen security defenses.
- **Red Team Exercises:** Contributed to simulated attack scenarios aimed at testing the organization's defensive capabilities, with a focus on web application and network security testing.
- **Ethical Hacking Techniques:** Learned and applied various ethical hacking tools and techniques, gaining hands-on experience in reconnaissance, scanning, and exploitation activities to enhance security protocols.
- **Collaboration with Senior Team Members:** Worked closely with senior cybersecurity professionals to enhance security measures and develop strategies for simulating real-world attack scenarios.
- **Cybersecurity Tool Development:** Played an integral role in the development of custom cybersecurity tools designed to aid in Red Team operations, contributing to the innovation and improvement of our internal toolkit.
